The National Compliance Advisory Initiative: Phase Two

Risk Management Process and Facility Security Committee Training

Last year, in the first phase of the National Compliance Advisory Initiative, the ISC provided awareness training in 19 cities across the country. Building off that foundation, as part of Phase Two, this four-hour, instructor-led, training course includes an in-depth look at the Risk Management Process and Facility Security Committee membership. The course is offered at no cost to participants and is available at a first come, first served basis.

Who Should Attend?

Facility Security Committee (FSC) members and those involved in making facility funding, leasing, security, or other risk management decisions.
