# New York City Federal Executive Board

---

The Federal Executive Board (FEB) is sponsoring ***The New York State Defensive Driver Training Course***. This course will reduce up to four points from your driving record and reduce the liability, collision, and no-fault insurance by 10% for three years.

Topics to be covered through instruction and videos:

- ✓ *Defensive Driving Techniques*
- ✓ *Traffic and Safety Laws*
- ✓ *Diminishing Road Rage*

Mr. Elliott Linczer of The Driver Safety Training Center will be the instructor. It's a full six hour day of classroom instruction with no actual driving. For further details, he may be reached at [dstcny@aol.com](mailto:dstcny@aol.com) or at 212.734.1086.

Agencies whose employees use government vehicles to perform their jobs may want to consider sponsoring their employees for this course. This intensive accident prevention workshop is an excellent refresher class on reviewing safety skills to avoid collisions. Benefits include better educated, confident drivers resulting in fewer accidents and driving infractions.

*Class size is limited!!*
